For a **two**-year lease commencing on or after **October 1, 2025** and on or before **September 30, 2026**: **4.5%**

For **two**-year increase periods commencing on or after **October 1, 2025** and on or before **September 30, 2026**: **4.5%**

FRACTIONAL TERMS

For the purposes of these guidelines any lease or tenancy for a period up to and including one year shall be deemed a one-year lease or tenancy, and any lease or tenancy for a period of over one year and up to and including two years shall be deemed a two-year lease or tenancy.

ESCALATOR CLAUSES

Where a lease for a dwelling unit in effect on May 31, 1968 or where a lease in effect on June 30, 1974 for a dwelling unit which became subject to the Rent Stabilization Law of 1969, by virtue of the Emergency Tenant Protection Act of 1974 and Resolution Number 276 of the New York City Council, contained an escalator clause for the increased costs of operation and such clause is still in effect, the lawful rent on **September 30, 2025** over which the fair rent under this Order is computed shall include the increased rental, if any, due under such clause except those charges which accrued within one year of the commencement of the renewal lease. Moreover, where a lease contained an escalator clause that the owner may validly renew under the Code, unless the owner elects or has elected in writing to delete such clause, effective no later than **October 1, 2025** from the existing lease and all subsequent leases for such dwelling unit, the increased rental, if any, due under such escalator clause shall be offset against the amount of increase authorized under this Order.

SPECIAL ADJUSTMENTS UNDER PRIOR ORDERS

All rent adjustments lawfully implemented and maintained under previous apartment orders and included in the base rent in effect on **September 30, 2025** shall continue to be included in the base rent for the purpose of computing subsequent rents adjusted pursuant to this Order.

SPECIAL GUIDELINE

Under Section 26-513(b)(1) of the New York City Administrative Code, and Section 9(e) of the Emergency Tenant Protection Act of 1974, the Rent Guidelines Board is obligated to promulgate special guidelines to aid the State Division of Housing and Community Renewal in its determination of initial legal regulated rents for housing accommodations previously subject to the City Rent and Rehabilitation Law which are the subject of a tenant application for adjustment. The Rent Guidelines Board hereby **adopts** the following Special Guidelines:

For dwelling units subject to the Rent and Rehabilitation Law on **September 30, 2025**, which become vacant after **September 30, 2025**, the special guideline shall be **49%** above the maximum base rent.

DECONTROLLED UNITS

The permissible increase for decontrolled units as referenced in Order 3a, which become decontrolled after **September 30, 2025**, shall be **49%** above the maximum base rent.

CREDITS

Rentals charged and paid in excess of the levels of rent increase established by this Order shall be fully credited against the next month's rent.

STATEMENT OF BASIS AND PURPOSE

The Rent Guidelines Board is authorized to promulgate rent guidelines governing apartment units subject to the Rent Stabilization Law of 1969, as amended, and the Emergency Tenant Protection Act of 1974, as amended. The purpose of these guidelines is to implement the public policy set forth in Findings and Declaration of Emergency of the Rent Stabilization Law of 1969 (§26-501 of the N.Y.C. Administrative Code) and in the Legislative Finding contained in the Emergency Tenant Protection Act of 1974 (L.1974 c. 576, §4 [§2]).

The Rent Guidelines Board is also authorized to promulgate rent guidelines for loft units subject to Section 286 subdivision 7 of the Multiple Dwelling Law. The purpose of the loft guidelines is to implement the public policy set forth in the Legislative Findings of Article 7-C of the Multiple Dwelling Law (Section 280).

The prior proposed rule for Apartment and Loft Order 57 adopted April 30, 2025 was withdrawn. The board received written and in-person testimony from many parties with an interest in this process both prior to the vote taken on April 30 and since. In particular, the Board received testimony on the impact of potential rent increases on tenants whose incomes are not keeping pace with the rising cost of living. As the board implements its mandate to consider the cost of operating rent stabilized buildings while maintaining reasonable rents, it must also consider the economic uncertainty reflected in much of the testimony that the Board has received to date. Therefore the board voted to restart the rulemaking process and approved proposed adjustments for two-year leases that have more flexibility than what was determined on April 30.
